About the Event:

• IPL Auction is an interactive and strategy-based event inspired by the **Indian Premier League (IPL)** player auction.

• Participants act as team owners and build their squad by bidding for players within a fixed budget.

• Teams and franchise names such as Chennai Super Kings (CSK), Royal Challengers Bangalore (RCB), etc., will be **assigned randomly using a shuffle method** to ensure fairness. • The event tests participants' decision-making, strategy, teamwork, and budget management skills.

Objective:

To simulate a real IPL auction experience and enhance participants'
• Strategic thinking
• Teamwork
• Decision-making skills
• Budget management

Team Details:

• Team Size: 2 to 4 members
• Cross-department participation is Allowed
• Individual participation: Not allowed
• Teams will be formed randomly

Event Workflow:

- Participants sign up for the event.
- Teams are created through a random selection process.
- Franchise names are allotted randomly to each team.
- The rules and auction procedure are clearly explained.
- Every team receives a fixed budget.

Auction begins:

- •The auction starts with players being presented one at a time.
- Bidding begins at the player's base price.
- Teams compete by placing bids to secure players.
- Each team forms its squad while staying within the budget.
- Final team line-ups are submitted after the auction ends.
- Judges review and assess the performance of each team.
- Winners are declared.

Auction Format:

• Each player has a base price
• Minimum bid increment will be fixed
• Each player will be sold to the highest bidder
• Time limit per player: 20–30 second

Team Composition Rules:

Each team must include:

• Minimum 11 players
• Maximum 15 players

Suggested combination

- Batsmen: 3–5
- Bowlers: 3–5
- All-rounders: 1–3
- Wicketkeeper: At least 1
